

# CPS SAFETY VISION

The Safety of all Exyte employees, partners, and customers is always our first priority.

We believe workplace accidents are preventable and therefore strive for continuous improvement in safety. Each employee is relied upon to adhere to all current safety policies as well as actively participate in the enhancement of our health and safety practices.

## MISSION

- Maintain a safe and healthy workplace in compliance with all applicable laws and regulations
- Embed safety awareness and practice into our culture
- Commit sufficient resources to all safety efforts
- Provide comprehensive and continual safety training
- Hold all employees accountable to our safety mission from senior management to first day temporary labor
- Demonstrate an urgency to action
- Hold Safety as our Value when things become difficult
- Recognize and re-enforce positive behavior
- Investigate and examine all safety related incidents, including near misses, to continually improve our practices, equipment and training with the

***ultimate goal of zero incidents***
