

CPS SAFETY VISION

The Safety of all CPS employees, partners, and customers is always first priority.

We believe workplace accidents are preventable and therefore strive for continuous improvement in safety. Each employee is relied upon to adhere to all current safety policies as well as actively participate in the enhancement of our health and safety practices.

MISSION

- Maintain a safe and healthy workplace in compliance with all applicable laws and regulations
- Embed safety awareness and practice into our culture
- Commit sufficient resources to all safety efforts
- Provide comprehensive and continual safety training
- Hold all employees accountable to our safety mission from senior management to first day temporary labor
- Investigate and examine all safety related incidents, including near misses, to continually improve our practices, equipment and training with the

ultimate goal of zero incidents
